

What is a volunteer educator?

- Respects differences of opinion and understand their group of participants
- He/She creates a safe and friendly environment and has the tools and knowledge to work in partnership with participants
- Does not “teach” people but helps them to find the best solutions to their questions and concerns
- Is a facilitator who shares information; an open-minded person who can understand the group and make the information relevant
- Promotes discussion, accepts and respects others’ views and changes methods when necessary; they make learning interesting and fun
