

Five things to do before I die

1.

2.

3.

4.

5.

Five things I want to be remembered for

1.

2.

3.

4.

5.

Life is for living

So it goes against every instinct that we have to start planning for our death: in fact, only one in ten of us have talked to anyone about how or where we'd like to die. But every adult, of whatever age, needs to look ahead and ask "What if?"
